

# DANA ANNE YEE FOUNDATION

FOR THE PROTECTION OF OUR GREEN ENVIRONMENT TO KEEP HAWAII GREEN

## Your generous donation will be used for:

the development of keiki learning gardens: teaching the keiki of Hawai'i to be helpers and future leaders in keeping our Hawai'i special. Our grass roots foundation will provide sustainable, native, edible, and learning gardens for the keiki in areas of the island that are in need.

the early detection of invasive insect pest species: collecting, researching, and identifying invasive insect pest species "early," before they become detrimental pests to our beautiful green Hawai'i.

Thank you for your generosity and kind support. Please complete and print this form.
